REACH Declaration

Article Number: SILI.CSF.300.TRA.60A

1. Scope
In accordance with Regulation (EC) No. 1907/2006 (REACH), we act as a supplier of articles pursuant to Art. 3 No. 3 REACH. Our products are articles (e.g., semi-finished products, finished parts), not substances or mixtures whose primary function is the release of substances.

2. Substances of Very High Concern (SVHC)
To the best of our knowledge, the products we supply **do not contain** any substances of very high concern (SVHC) listed in the current Candidate List at concentrations greater than 0.1% w/w. The Candidate List currently contains 253 entries (https://echa.europa.eu/en/candidate-list-table).
If there are changes due to updates to the list or information from our suppliers, we reserve the right to adjust this declaration accordingly.

3. Release of Substances
According to our information and when used properly in accordance with the recommended specifications, no release of substances occurs that would trigger additional information or notification obligations under REACH.

4. Information Duty According to Art. 33 REACH
If we become aware or are informed by a supplier that a substance contained in one of our articles is listed as an SVHC at a concentration greater than 0.1% w/w, we will notify you without delay— and in any case within 45 days of becoming aware or receiving your inquiry. This information includes the name of the substance and sufficient details for safe use.

5. Disclaimer / Notes
The above information is based on our current knowledge and does not constitute a warranty of properties. Applicable laws and regulations must be observed by the recipient of our product at their own responsibility.
